

Following the Implementation Roadmap

Speaker: Phil Gardner

Phil Gardner, Enterprise Agility Coach at SAIC

Phil Gardner, an Enterprise Agility Coach at SAIC and SPCT Candidate, is on a mission to help people transform the way they work. With deep experience navigating the complexities of large-scale Lean-Agile transformations, Phil has served as an enterprise coach, executive coach, and “coaches’ coach within a variety of industries including telecom, entertainment, finance, cybersecurity, healthcare, and Government. As an early adopter of SAFe, Phil became a SPC in early 2014 and he continues to be an active member of the SAFe Community, mentoring others on their journey. Phil is currently focuses on enabling people within the US Government to achieve agility and resiliency needed to power their speed to mission.
